

Jefferson County Schools realize that students may forget or lose lunch/breakfast money. To make it easy for parents to view charges, fund accounts, and get notified of low balances, we have partnered with Titan School Solutions. There is no charge for parents to create, monitor, or receive emails regarding low student meal balances, prepayments and applying for free and reduced meals by access at <https://family.titank12.com/>. Parents will still be notified in writing and by the school district automatic messaging system of negative student balances and will be afforded a reasonable opportunity to clear the bad debt.

The Jefferson County Child Nutrition Program offers four ways for a parent to fund their student's account:

1. Pay online using Titan
2. Utilization of the Titan mobile application
3. Personal Check or Cashier Check (no third party checks)
4. Cash

It is unlawful for the Child Nutrition Program to absorb unpaid, charged meals. Parents are responsible for providing funds for student accounts. If parents need financial assistance paying for school meals, a meal benefit application for free/reduced price meals must be completed. The meal application only takes a few minutes to complete and can be found online at <https://family.titank12.com/application/new?identifier=TSFPFC>.

In the event a preference is for a printable application that is also located on the Child Nutrition district webpage at http://www.jefcoed.com/supports/child_nutrition.

Applications for meal benefits can be completed at any time during the school year. If a parent refuses to complete a meal benefit application or provide funds for student meals after a reasonable amount of time, an alternative meal may be provided at the discretion of the principal after the parent has received notification of the outstanding meal charges.
